

Library Newsletter

Dear All,

The new semester has begun. I hope it is going to be enjoyable and rewarding for all of you.

I'd like to take this opportunity to update you about the Library and its services.

We are currently open Monday through Thursday 8AM – 10PM; Friday 8AM-8PM, Saturday and Sunday 1PM-6PM. On February 23 and April 6 we are open from 11AM –6PM.

Please review our new books and journals in the library and/or on the Architecture Library homepage. Over the winter break we have added many new images to the image database. Let me remind you that to access it you should go to the Architecture Library homepage and select Gallery. You can use “soauser” for Username and “turtle19” as a password. (“library1” as domain only if asked).

Part of reserve materials was scanned and placed on the web. Please let us know if you find it helpful, so we can continue this practice in the future.

Many of our journals were bound and returned to the shelves.
